

NATIONAL ALLIANCE TO END SEXUAL VIOLENCE
2007 DONATION FORM

Together, we create history!
End Sexual Violence Now!

Yes! NAESV provides a critical "voice" for sexual assault advocates in Washington, D.C.. In 2007 alone, NAESV has been a key player in securing federal funding for the Sexual Assault Services Program which provides valuable funding to the rape crisis centers as well as state and territorial sexual assault coalitions which assist victims. We have also successfully fought off attempts to raid another important funding source for victim services - the Victims of Crime Act - and worked to make sure that provisions in the Violence Against Women Act of 2005 address the needs of sexual assault survivors.

We need your support to continue our important work.

Please send your contribution now—current NAESV funds are limited for continued lobbying work with Congressional and Administration stakeholders!

Enclosed is our contribution of (suggested) 1% of our sexual assault program/administrative budget

We pledge to pay (suggested) 1% of our sexual assault program/administrative budget in the amount of \$ by (date).

In addition to my state coalition/territory making a contribution, I am making a personal contribution to ensure that the anti-sexual assault movement has a voice in D.C. My gift is \$
